Who is Outbreak Volleyball Club?

The mission of Outbreak Volleyball is to develop student-athletes to reach their highest potential as players, teammates, and leaders on and off the volleyball court.

We are dedicated to developing the total person by balancing the priorities of training, academics, community service, and rest. Training and competing at the highest level in a fun and competitive atmosphere is also a top priority. At Outbreak Volleyball, we also believe in making the sport of volleyball accessible to everyone by providing an affordable price in our team model.
